- 8 **Clerk's report:** The Clerk advised that the Suffolk County Council were transferring the Onesuffolk platform, used for the Parish Councils website, as part of the Transparency Act to Community Action Suffolk (CAS). Due to the timescales involved, the Clerk had informed CAS that the Parish Council would discuss and make a decision regarding the future of the website at the November meeting.

Following a discussion, the Parish Council felt that, subject to costs, the Parish Council were happy for the website to be transferred to CAS with all the current content and pay a yearly fee.

The Clerk agreed to contact CAS to ascertain the costs involved.

9 **Speed Cameras**

Cllr J Orlopp advised that Cllr N Kaines had sent comments in an email prior to the meeting which stated that he felt the A1088 should be included in the area covered by the speed cameras. He had also stated that the cameras should be in a permanent location.

Cllr H Godfrey informed the Parish Council that County Councillor J Storey had advised that money may be used from her Highways budget. He added that the SCC would install the camera posts at fixed locations, however the Parish Council would need to buy one or more cameras and be responsible for moving them around and ensuring they are maintained.

During discussion, it was felt that a decision to purchase the cameras should be made and that may assist in obtaining money from SCC. It was felt that more than one camera would be needed but perhaps one should be purchased initially. Those present felt that increasing the precept to purchase a camera would be a good use of public monies.

Cllr H Godfrey formally proposed that Stowlangtoft Parish Council purchase a speed camera and then options for raising funds being investigated further. Cllr J Orlopp seconded the proposal. All those present were in favour.

Cllr H Godfrey concluded that the finer details of locations could be discussed at a later date, however having a formal decision would support the Parish Council's application to the SCC.

- 10 **Finance Report:** Councillors agreed the report and the cheques were signed.

Cllr J Godfrey queried which streets were covered by the street cleaner and stated that she felt the hours allocated were insufficient.

- 11 **Planning matters:**
Approved: 2984/16 – 2 Flint Cottages, Kiln Lane, Stowlangtoft.

Prior to the meeting Cllr H Godfrey had emailed the Clerk to query why the Parish Council had not been consulted regarding planning notice 4383/16 Beacon Lodge, Stowlangtoft. The Clerk advised that the application type was a Notification for Prior Approval for a Proposed Larger Home Extension and as such only immediate neighbours need consulting.

- 12 **Highway matters:** Cllr J Catchpole advised that he had received a complaint regarding the parking in St George's Road. He felt the grassed area could be utilised to alleviate the problem.

- 13 **Correspondence:** none.

- 14 **Councillors' Forum:**

Common Room/Managers Office – Cllr J Orlopp advised that the Common Room was a community asset and at present, MSDC were reviewing the sheltered accommodation in Stowlangtoft. To protect the village amenity, the Parish Council noted that a nomination form needed completing and returning to MSDC. Officers (Stephanie Osborne) at MSDC would then have 8 weeks to consider the application and decide whether it was indeed a community asset and used by the village. Cllr J Orlopp stated that any application would need the support of at least 21 signatories on the electoral role for Stowlangtoft and a supporting statement would need to be included. Cllr H Godfrey agreed to assist in preparing the statement.

During discussion, it was noted that the Common Room were used for Parish Council meetings, as a Polling Station, a meeting place for the Recreation Committee and for the Annual Parish Meeting and would be used as an emergency room in the event of floods.

Cllr J Orlopp proposed that an application be submitted to Mid Suffolk District Council requesting that the Common Room be considered a village asset. Cllr H Godfrey seconded the proposal and all those present voted in favour.

Precept – The Parish Council noted the deadline for the 2017/2018 Precept was 31 January 2017. Those present felt that the precept should be increased to allow projects, which benefitted the village, to be undertaken. Cllr H Godfrey informed that Stowlangtoft Parish Council cost 40p per week per band D taxpayer. It was noted that the meeting on 16 January 2017 would discuss the Precept and that early notification of this meeting would be placed on the noticeboard to allow as many Parishioners as possible to attend.

BT Box – Cllr D D'Lima had raised a query via email prior to the meeting, regarding the ownership of the BT Telephone Box. Cllr J Orlopp stated that the Parish Council had been given the opportunity of adopting the telephone box however this had not occurred. It was therefore assumed that BT still owned the box.

- 15 **Public Forum:** Concern was raised by Parishioners that some of the 30mph signs were covered with foliage. Concern was also raised following the changes made to the bus timetable.
